

2026 Carbon County Fair Book Ad Form

Thank you for your continued support of the Carbon County Fair. As we grow, we make changes, which includes how we support the businesses of Carbon County. As with everything, costs increase, so we must increase the cost of our ads in the fairbook. We aim to make this still affordable as we know many of you only advertise in the yearly fairbook. In addition, to ensure that your ad is printed in the highest quality, we are now asking you to submit your ad online. Below is a QR code to access the online submission; however, we understand this electronic transition may not be feasible, so you may have the option of mailing in a physical copy of your ad for 2026, if you prefer. Lastly, we are asking businesses to submit ad and payment themselves to ensure your ad is published.
