

Golf Cart Use Policy and Guidelines

To ensure the safety of all fair attendees and participants, all individuals operating a golf cart on Carbon County Fairgrounds must adhere to the following policies. This agreement applies to staff, volunteers, vendors, exhibitors, sponsors, and members of the public. All drivers of a registered golf cart are subject to these policies and guidelines, regardless of who signed the permit or registration form. It is the responsibility of the permit holder to ensure that every driver is aware of and complies with all policies and regulations.

Golf Cart Requirements for Use

1. Drive extremely slowly and cautiously. Speed must be significantly reduced through the midway.
2. Permit and insurance requirement: Every golf cart must have a permit purchased at a fee of \$200 per cart, with proof of insurance provided at the time of registration.
3. Golf cart permits must be obtained at the Fair Office prior to use on the fairgrounds.
 - a. An official permit will be issued and must be displayed on the cart throughout the fair. The permit must be affixed to the golf cart at all times.
4. Child Safety Awareness: Children are present throughout the fairgrounds and may not be attentive to moving vehicles. Extreme caution must be used at all times.
5. Livestock and Pedestrian Priority: Livestock and pedestrians always have the right of way. Drive with additional caution near livestock areas.
6. Only licensed drivers aged sixteen (16) years or older may operate any golf cart on fairgrounds. Learner or student driver permits are NOT considered valid driver's licenses. Drivers of golf carts are subject to being stopped by Carbon County Fair Staff to provide proof of valid driver's license, at any time.
7. Drivers must immediately follow any instruction given by Carbon County Fair Staff, including but not limited to stopping, slowing down, correcting behavior, yielding to pedestrians or livestock, altering routes, parking or relocating the cart, or ceasing cart operation.
8. Safety is our highest priority. Any person operating a golf cart in an unsafe or irresponsible manner may lose the privilege to drive on fairgrounds, and face additional penalties as determined by Carbon County Fair Board.
9. ATVs are not permitted for use by vendors, exhibitors, sponsors, or the general public. Only Carbon County Fair and Buildings & Grounds staff are authorized to operate ATVs on the fairgrounds.
 - a. The term "ATV" includes all commonly recognized All-Terrain Vehicles (ATVs), Off-Road Utility Vehicles (ORVs), and Recreational Utility Vehicles (RUVs) such as Polaris Ranger, Polaris RZR, Yamaha Rhino, Kawasaki Mule, and similar vehicles.

Any person failing to comply with these policies and guidelines for operation will be reported to the Carbon County Fair Board and will lose golf cart driving privileges on the Carbon County Fairgrounds. If the violation is of sufficient severity, law enforcement may be called, and you may be removed from the fairgrounds.
