Phase One of the New Horse Barn Project is Complete. The Barn was built in July, 2020.

Phase Two, adding the stalls is underway. The Barn will hold 30 Indoor Stalls. There are 23 available. These will be a lasting legacy for years to come for your family, business, or corporation. Carbon County has a rich history in agriculture that will always thrive in Southern Wyoming.

Corner Stalls are \$1900.

Regular Stalls are \$1600.

Each Stall will have a donor plaque, with your choice of inscription on the plaque. You will also be able to place your brand on the stall you sponsor.
