Dates: July 31 through August 7, 2021

Theme: "Raising the Steaks"

The Carbon County Fair is the largest event in the County every year. It is one of the most successful Fairs in the State of Wyoming! None of this would be possible without our amazing group of sponsors, volunteers, exhibitors, spectators, and families. It's a crazy, busy, fun filled week, and the memories made during Fair Week are beyond measure. We sincerely hope you enjoy your time spent at the Fair, and we are grateful for your support!
